Wednesday 20.10.21

Dear Parent/Carer,

It is with great regret that we inform you of two class closures for Thursday 21 and 22 October.

Due to the Health and Safety of all pupils on the school site and appropriate staffing levels Class 14 Mr Phillips and Class 10 Miss Paske, classes will be closed to pupils on these days. All other classes and functions of the school remain open to pupils as normal.

- **Blended Learning will be provided for all children from class 14 and Class 10 on these days timetables will go up on their pages and on twitter detailing times and activities from Wednesday 20th Pupil HWB accounts and Class Do Jo accounts will be used.**

As with all correspondence at this difficult time, we apologise for any inconvenience caused and will look forward to seeing both classes back in school after half term on 1st November.

We greatly appreciate your well wishes and understanding at this time. Once again, thank you for your continued support.

Yours sincerely

**Ms L Sparkes
Chair of Governors
Mrs S Roche
Headteacher Garnteg Primary School**

The school has an optimistic, caring and inclusive ethos. The school's partnership work is sector leading. Leaders work extremely well with a wide range of partnerships to support pupils' wellbeing and standards effectively Estyn May 2015
