New Curriculum for Wales 2022

As part of the new curriculum we will be working within 'Areas of Learning and Experience.' These can be broken down in the image below.

Welsh Government changes to Additional Learning Needs

Thank you for your responses regarding the new ALN bill, the link to the questionnaire is still available if anyone else would like to respond. A few responses said that they would like more information about certain aspects of the changes but, unfortunately these were anonymous. If you would like me to contact you regarding this information could you please let your child's class teacher know through class dojo's and I will be able to do so.

School Eisteddfod

Bendigedig children and staff for super eisteddfods in year groups this year. It was fantastic to listen to pupils' singing and watching dancing in the hall for the first time in 2 years. As always the entries for all the competitions were outstanding and were challenging to judge. Thank you for supporting your children with costumes and craft entries which were completed during half term.

Charity donations

Thank you for all the donations this week for Marie Curie and for the Noddfa Church collection for [Biserica Creștină Emanuel a church in Galați](#), who are providing accomodation, food and safety for Ukranian refugees. We are still counting money and will let you know final totals next week.

World Book Day 2022

It was wonderful to see the children dressed as their favourite book characters to celebrate 25 Years of World Book Day on Thursday. The children enjoyed activities throughout the day to promote reading and were each given a book voucher so they can continue their enjoyment of reading at home. Many thanks for your ongoing support.

Healthy Lunch Boxes

Please try to ensure your child brings in a lunch box filled with healthy items; if you go onto the BBC GoodFood website you will find some lovely healthy lunch box ideas.

Cashless Catering and Education Payment Portal

In June last year Torfaen LA & Catering set up a new system for payment of school meals, school activities and trips etc.

Currently only 58% of parents have registered onto the current payment system.

Even if your child does not have a school meal or has free school meals, schools are now taking part in some activities and trips and so we are asking all parents/carers to register onto the portal.

Benefits of the new system:

- You will be able to pay securely using any mobile device, laptop or PC for all activities your child undertakes in school

- You will be able to see a dashboard for your child which shows information such as their school meal catering balance, lists of booked trips and more.
- You will be able to see your child's school meal account which includes information such as balances, payments and meals purchased history
- You will be able to set up an auto top-up for school meals, so your catering balance always stays in credit
- You will be able to give online consent for your child to go on trips and undertake activities
- You will be able to view your child's meal choices

Please contact the school office or email garntegschool.office@torfaen.gov.uk to receive your email/letter inviting you to register onto the portal.

If you have any other questions, please email educationpayments@torfaen.gov.uk
