Croeso...

We're thrilled to welcome you and your child into our warm and friendly Year 1/2 class. We're looking forward to a year filled with exciting learning, new friendships, and lots of memorable moments as we begin this wonderful journey together.

At Garnteg, we follow a Froebelian approach to learning, which means we value the whole child — their ideas, interests, and unique way of seeing the world. We believe that children learn best through play, exploration, and real-life experiences, so our classroom is full of opportunities to be curious, creative, and connected to the world around them. We encourage independence, collaboration, and a love of learning in everything we do.

Our ethos is built on the values of kindness, curiosity, and creativity, which guide everything we do in the classroom and beyond. Whether we're discovering new things in class, playing together on the yard, or exploring the world through our topics, we're always learning — and always supporting one another.

We're looking forward to a fantastic year of learning, laughter, and sparkle. Let's climb high and shine bright together!

Be sure to check our school website <http://www.garntegprimary.co.uk/> and our Twitter pages for regular updates and information @garntegprimary @MissSAttewell95 @MissJBones95

Daily routines

- Breakfast club pupils can enter via top gate into the small hall between 8:20am-8:50am.
- Top gate and bottom gate will be open at 8:45am for pupils to come straight into class. If pupils arrive after 9:00am, they will have to walk to the main office with a family member or carer on order to sign in.
- The school day starts at 8:45 am, and registers close at 9:10 am. When children arrive in the classroom, they begin an Early Morning Activity,

such as a learning task or reading books, while the teacher takes the register, which happens at 9:00 am.

- At the start of each session, all children sit together to say good morning, including practicing some Welsh language.
- Four times a week, children join Read Write Inc sessions to develop their phonics and reading skills.
- They have a daily snack and take part in the Daily Mile to stay active.
- The afternoon register is taken at the beginning of the afternoon session, after which children participate in guided group reading and phonics or high-frequency word games suited to their reading level.
- At the end of the day, children are brought to the school gate where they were dropped off, and those who use the school bus are escorted safely to and from the bus.
- When children return after an absence, parents are expected to provide a note or letter explaining the absence unless the school has already been informed by phone. Persistent unexplained absences are reported to the Headteacher, who will inform the Education Welfare Officer.

Classroom Rules - Rheolau Dosbarth

In our classes we ensure that we have a happy learning environment where everyone feels valued and enjoys their time together. In order for us to achieve this we have a number of rules that as a class we decide together to ensure we all have our voices heard and valued.

School Rules - Rheolau Ysgol

As we strive to help children become life-long learners we promote independence and responsibility throughout the school day.

Healthy Snack - Bwyd Iachus

Children are encouraged to bring one item of healthy snack to school and their own drinks bottle. No sugary drinks should be brought to school. If unhealthy snacks are brought to school children will not be allowed to eat them. If your child has any specific dietary requirements please let us know.

Wellbeing in Year One/Two

At our school, children are encouraged to take ownership of their wellbeing by choosing when to check in with staff throughout the day, helping them feel

supported and heard. They regularly participate in outdoor wellbeing activities, including visits to forest schools, where they can explore nature and enjoy time to relax and recharge. Children also take part in yoga and PE sessions held outdoors, promoting both physical health and mindfulness. Throughout the day, pupils are given opportunities to share their feelings, helping to build emotional awareness and resilience. In class, they can set their own rewards to work towards by following school and classroom rules, promoting a sense of responsibility and motivation in a positive, supportive environment

Medical information - Gwybodaeth feddygol

If your child suffers from a medical condition that is likely to affect his/her education, we would be grateful if you would inform us. Should your child require regular medication, and you wish to undertake its administration, we must ask that you inform us in writing. Information should contain the time of day it is to be taken and the dosage. Please complete a medical form at the office when bringing in your child first thing in the morning.

Class Dojo

At Garnteg we reward great behaviour with dojo points. Each child will have their own monster avatar and will build up their points and rewards through the year. Parents and carers are invited to view the children's dojo point progress where they can download the app and receive notifications of the points

changing throughout the day. Notices and updates will be posted by staff on the class dojo story.

Attendance

We pride ourselves on the great attendance records we have kept over previous years. We look forward to keeping this great attendance record over the coming year. Remember your child needs to be in school every day to learn and cannot achieve attendance targets if they have any absences that total 10 days or more. Please send your child to school every day.

The school grounds are operated by a barrier system. The school barrier at the main gates will be operated at the press of a buzzer which will go through to the school office. The system is camera operated where identity and nature of business will be checked.

Please note access to school site is for disabled badge holders only, this ensures the safety for pupils and staff.

Operational Times – Morning

8.00am – 8.30am staff only

8:20am-8:50am Breakfast club pupils only

8:45am – 9:00am-pupils entry

Both school gates will be open at 8:45am for pupils to attend and this will ensure pupils are in class for their registration at 9:00am. The staff will meet pupils at the school gates.

Late Arrivals

If pupils arrive after 9am they will need to enter via the main office and for younger children, they will be brought in by parents or carers. Parents and carers are required to walk the children down to school site into the main school reception area. It is important that this procedure is complied with as the child will need their mark and lunch time choice of menu.

Both school gates will be open at 8:45am for pupils to attend and this will ensure pupils are in class for their registration at 9:00am.

Staff will be available in the morning on top and bottom gates to take messages that will be passed on to relevant staff.

Operational Times-Afternoon

The office will be unable to replay messages in the afternoon.

School Adult behaviour Policy and COMPLAINTS PROCEDURE

Our commitment to you

In all cases the school and governing body will ensure that complaints are dealt with in an unbiased, open, and fair way.

We will take your concerns and complaints seriously and, where we have made mistakes, will try to learn from them.

If you need help to make your concerns known, we will try and assist you. If you are a young person and need extra assistance you may want to contact MEIC which is a national advocacy and advice helpline for children and young people.

Advice and support can also be accessed from the Children's Commissioner for Wales

Have you asked us yet?

If you are approaching us for the first time you should give us a chance to respond. If you are not happy with our response, then you may make your complaint using the procedure we describe below. Most concerns can be settled quickly just by speaking to the relevant person in school, without the need to use a formal procedure.

What we expect from you

We believe that all complainants have a right to be heard, understood, and respected. School staff and governors have the same right. We expect you to be polite and courteous. We will not tolerate aggressive, abusive, or unreasonable behaviour.

Nor will we tolerate unreasonable demands, unreasonable persistence nor vexatious complaining. We have a separate policy to manage situations where we find that someone's actions are unacceptable.

Adult Behaviour on school site policy 2026.

[Adult Behaviour on site 2026](#)

The Governing Body has adopted the complaints procedure outlined by Torfaen LEA, A full copy of the schools' complaints policy and procedures is available by request from the school office or via our school website.

[Complaints Policy 2026 \(002\).docx](#)

If you should ever feel it is necessary to make a complaint about the school curriculum or indeed any other aspect of the school, your first point of contact would be the class Teacher, then Senior Leader Member, Deputy Head Teacher then the Head Teacher. If after speaking with the class teacher, you are still concerned you can contact the school and arrange to discuss any matter with the Head Teacher in the hope that it can be resolved quickly and to everyone's satisfaction. Should the issue still not be resolved then you can make a formal complaint to the governing body, preferably in writing to the Chair of Governors.

Please see below details of the Phase leaders 2025-6

Stage Aa and Ab class teacher if not resolved Senior Phase leadership team member

Stage A 1. -Class teacher meeting visit with parent/carer and follow up recorded

Stage A2. Senior leader meeting visit with parent /carer formal follow up recorded

Years 3 and 4 = Mr Phillips Phase Leader

Unresolved Deputy Head Teacher Mrs Jones

Stage B Complaint to the Headteacher or nominated person

In most cases, we would expect that your concern is resolved informally. If you feel that your initial concern has not been dealt with appropriately you should put your complaint in writing to the headteacher Mrs Roche.

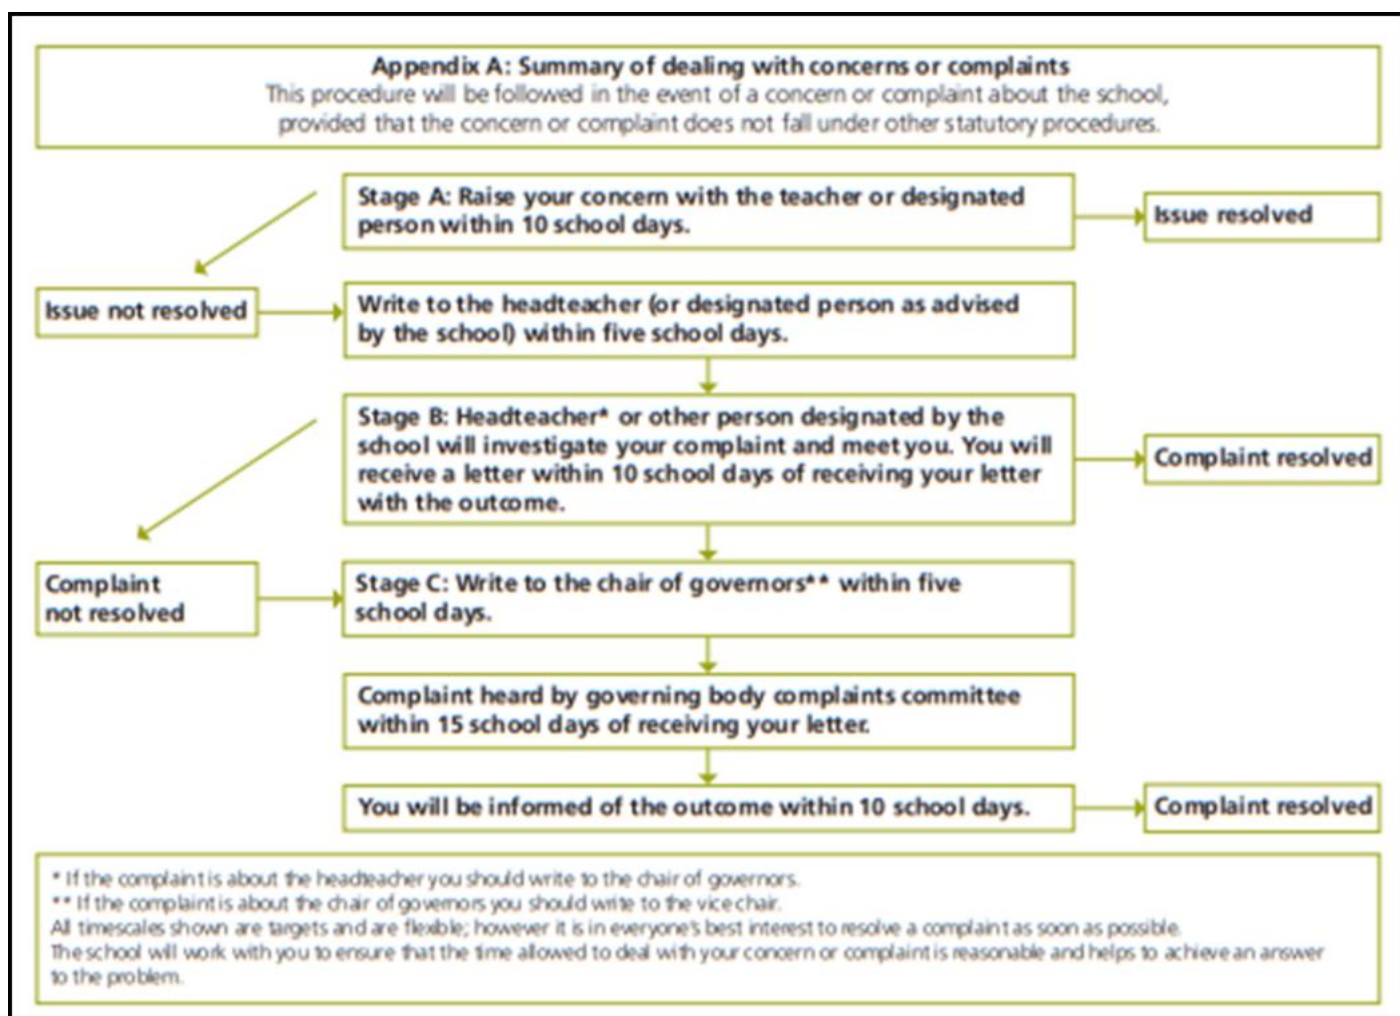

Stage C: Write to the chair of Governors within five days

We would expect you to aim to do this within five school days of receiving a response to your concern as it is in everyone's interest to resolve a complaint as soon as possible.

We aim to write to you within 10 school days of the meeting explaining the outcome of the governing body's complaints committee's consideration.

The governing body's complaints committee is the final arbiter of complaints.

However, there are Special circumstances where other procedures may apply for full details, please see complaints policy.

It is not the role of parent governors to bring complaints from individual parents into school or to meetings. That is the responsibility of the parents themselves to follow the procedure listed above.

We aim that early contact and discussion would resolve most concerns so please remember that is always best to contact school at your earliest opportunity.

A policy statement on bullying has been and is available to all parents.

Home Learning

In Blwyddyn Un a Dau we encourage the following home learning activities to support learning.

Reading

We recommend 10 - 15 minutes reading 5 times a week as a part of homework. Children will have access to online reading resources through 'Bug Club' and each child will be given a log in.

Weekly homework

Children will be given a homework log containing activities to complete at home over the course of each half term. They will need to choose one activity to complete each fortnight and these can be shared with the class teacher via Class Dojo, Twitter or Email. Dojo points will be awarded for completed homework and it will be celebrated in class. In addition to their homework children will be given spellings once every week following the October half term. These should be practised at home and there will be assessed in school the following week.

Numeracy

Each week teachers will set online maths tasks through mymaths.co.uk which can be played at home. These activities are linked to the areas of maths being covered in class. Please make sure you are playing the games several times a week. There are very positive results from doing these activities at home. Each week

in school children will complete a big maths challenge and a copy of this will be sent home for you to practise.

Home-School Post

We recognise the importance of children, parents, and teachers working in partnership to enhance the quality of education for each individual.

How You Can Help

- Homework is intended to be a shared process between child and grown up.
- Children will receive a termly home learning log and will complete one activity each fortnight. This will be supplemented by weekly big maths and spellings activities following October half term.
- You can do as much as you wish
- Children will be encouraged to read books using 'Bug Club' online reading. Reading is important to reinforce the strategies learnt in school during Read Write Inc or guided reading.
- You can help your child learn their spellings by using the following activities:
 - Hunt sounds and words around your house
 - Play snap and memory games with your high frequency words
 - Look, Copy, Cover, check!
 - Play matching games with sounds and pictures
 - Make letter fans
 - Play 'splat' games, who can find the sound/word first?
 - Create a poster
 - Create a card game with certain spelling on

There are also lots of online resources which can help your child's spellings.

Read Write Inc Sounds

At Garnteg Primary School we use the Read Write Inc programme to teach the children sounds (phonics) and to develop early reading skills such as blending sounds together to read words. Below are some of the sounds that your child will learn along with rhymes to support letter formation. We encourage you to practice these at home.
