Tesco Stronger Starts

Please can we ask you to support Garnteg Primary when visiting Tesco's Pontypool by adding blue tokens to our slot in the Stronger Starts box which is in front of the self-service check out. We are hoping to get lots of new outdoor and cooking resources for our pupils with the money we receive. Once again, thank you for your support.

School Messaging and Communication

Thank you to all parents and carers

We have had a good response to the messaging books at the gates in the mornings this has allowed quick and easy ways to pass on messages to classes.

Please remember parents will need to ensure with their child in the morning the gate pick up. The school can no longer take messages in the afternoon with a change of gate if this happens, parents will be responsible for walking to the correct gate pick up and your child will stay with the teacher until you collect.

Important message for parents and carers:

We are in the process of updating our information on the school website to assist you all with making our information more accessible.

For example, all class handbooks and school prospectus can now be found on the class pages and main policy sections.

In the forthcoming weeks we will be sharing some information on new policies that have been written with you we would be grateful if you could give us your feedback on these as we publish them.

Class DOJO will still be used to upload other information on a weekly basis, but we hope this will give parents and carers another quick and easy channel to download documents and anything you should require.

Attendance in school time

A reminder of the importance of good attendance as we begin the Spring term.

Everyday counts!

If pupils arrive at 9:00 and after, please can all parents & carers take them to the school office for their registration mark and lunch choice. Late arrivals reminder this can affect your child's attendance as late after 9.30 will count as a half day absence.

Please contact the school office as soon as possible from 8.20am to inform of your child's absence. The office phonelines can be extremely busy, please use the absence line 1 and leave a message with your child's name, class and reason of absence.

The Welsh Government recommends that family holidays are taken outside school terms as this counts as a school absence even if it is authorised or un-authorised and this effects pupils' attendance. Torfaen guidance and Welsh Government state that all learners should have attendance between 100% and 95% anything below will be monitored by the school and the Local Authority Education Welfare officer.
