School Messaging and Communication

Use of 'X' (Twitter)

After February half term we will no longer be using X as a platform to share information and class posts. We will be moving over to Instagram as our main platform. We will share our new pages with you once these have been set up.

Thank you to all parents and carers

We have had a good response to the messaging books at the gates in the mornings this has allowed quick and easy ways to pass on messages to classes.

If your child attends breakfast club and you have messages to pass on, please can these be given to the main office so that they can be passed on to classes.

Please remember parents will need to ensure with their child in the morning the gate pick up. The school can no longer take messages in the afternoon with a change of gate if this happens, parents will be responsible for walking to the correct gate pick up and your child will stay with the teacher until you collect.

Meithrin - Bendedig pawb for another fantastic week of learning in Meithrin. The children have been 'writing' stories for their Eisteddfod entries as well as creating beautiful artwork linked to Wales. They have really enjoyed learning about symbols of Wales. Just a reminder that the craft activity that can be completed at home based on the theme of what makes you think for Wales for example, a daffodil, a rugby stadium, Blaenavon big pit etc. These can be returned to school on the week beginning 23rd February. Have a lovely a lovely weekend.

Dosbarth 1 - Our Reception class have been trying their very best to follow our class routines and rules this week — da iawn, pawb! Everyone has been working so hard on their Eisteddfod pieces of work, and it's been wonderful to see all the creativity and effort shining through. We've also loved learning all about our story, *Dilwyn the Dragon*, and how he was such a brave dragon. Just a reminder that the craft activity that can be completed at home based on the theme of what makes you think for Wales for example, a

daffodil, a rugby stadium, Blaenavon big pit etc. These can be returned to school on the week beginning 23rd February. Keep climbing to sparkle, Reception! Have a lovely weekend — diolch from Derbyn! 😊

Dosbarth 2 - Dosbarth 2 have been working hard and showing great independence with their spellings and the recognition of tricky words. We are very proud of the effort they are putting into their learning. After exploring Caerphilly Castle, we have begun writing our own tales inspired by the Tale of the Red Dragon. The children have shown fantastic imagination and creativity, and we are loving the stories they are creating. In mathematics, we have been recalling our knowledge of number bonds to 5, 10 and 20, then challenging ourselves further by applying this learning in different areas using a range of resources. Dw iawn dosbarth dau 😊

Dosbarth 3 - Our trip to Caerphilly Castle has been inspiring our independent creations in school this week. We have made and designed our own castles and dragons in lots of different ways, remembering key features. We have begun writing our own imaginative and mythical stories using adjectives and wow words. We are very proud of the extended writing you have produced 😊
Just a reminder to return your Eisteddfod Wales crafts to school on the week beginning 23rd February. Keep climbing to sparkle! Have a lovely weekend.

Dosbarth 4 - What another fantastic week! We have been looking at number bonds this week in maths and can now show ways of making 10 using different resources. We have been looking at real life artists in Wales in order to use our school trip from last week to recreate Caerphilly Castle and the dragons we saw. Eisteddfod crafts will be due in the week after we come back beginning the 23rd February. Have a lovely weekend.

Dosbarth 5 - Da iawn pawb for another fantastic week! This week we have been using our persuasive writing and speaking skills to persuade others about the benefits of learning instruments. In our maths learning we have developed our skills of measure through mass and converting grams and kilograms. We also enjoyed our first DJ for a day session with DJ Susie! As a special Eisteddfod challenge please can the children complete a craft entry at home on the theme "What Wales means to me" and bring it into school after half term for entry in the school Eisteddfod.

Dosbarth 6 - What another wonderful week in dosbarth 6! We have enjoyed looking at measuring weight this week and using our skills to measure different amounts, preparing to write a persuasive speech and taking part in a science investigation all about sound. We are now getting ready for the school Eisteddfod and will be working on writing legends, creating artwork and digital entries next week in class. A reminder that the children can complete a craft entry at home on "What Wales means to me" and bring it into school after half term for their craft entry in the School Eisteddfod. Have a lovely weekend everyone!

Dosbarth 7 - The pupils have enjoyed reading their class novel, The Mizzy Mysteries 'The Skeleton in the Closet' this week and turning parts of the text into a script, as well as writing about Mizzy in Welsh. We

are now getting ready for the school Eisteddfod and will be working on writing legends, creating artwork and digital entries next week in class. Reminder that the children can complete a craft entry at home on "What Wales means to me" and bring it into school after half term for their craft entry in the School Eisteddfod. Have a lovely weekend!

Dosbarth 8 – We have had a wonderful week in Dosbarth 8! The children have all enjoyed creating and editing podcasts, including jingles, stories and quizzes. We are looking forward to starting swimming after half term. A big thank you for payments that have been made for the residential trip. A reminder that the full balance needs to be paid by the beginning of March. Thank you 😊 Have a lovely weekend!

Dosbarth 9 – We have had a great week in Dosbarth 9! We have listened to and created our own podcasts, including sound effects and music! Year 6 are getting ready for their final swimming session whilst year 5 prepare for theirs to begin after half term. Just a reminder that all Year 5 children need to return their swimming consent forms by next week. It is a statutory requirement of the curriculum that all children take part. A reminder that all residential payments are due by March. Have a wonderful weekend!

Dosbarth 10 – We are having a wonderful week getting ready for our Eisteddfod this year. We have started to write our entries for the competition; it is going to be very tricky to judge them this year! Just a reminder that all Year 5 children need to return their swimming consent forms by next week. It is a statutory requirement of the curriculum that all children take part. Have a wonderful weekend!

Dosbarth 11 – The children have been working incredibly hard this week, preparing for Eisteddfod with creative writing. Class 11 continue to strive in swimming and we cannot wait for the play and slide session next week for our final one. Keep working on your homework logs as we head into our final week before half term. Have a lovely weekend.
