School Messaging and Communication

Use of 'X' (Twitter) and new Instagram accounts

We will no longer be using X as a platform to share information and class posts. We have now moved over to Instagram as our main platform. Our main school page can be found here

<https://www.instagram.com/garntegprimary/>

Thank you to all parents and carers

We have had a good response to the messaging books at the gates in the mornings this has allowed quick and easy ways to pass on messages to classes.

If your child attends breakfast club and you have messages to pass on, please can these be given to the main office so that they can be passed on to classes.

Please remember parents will need to ensure with their child in the morning the gate pick up. The school can no longer take messages in the afternoon with a change of gate if this happens, parents will be responsible for walking to the correct gate pick up and your child will stay with the teacher until you collect.
